

THE HIGH SPEED TROPHY

Our President, Harold Scott presenting the Trophy to George Silk (Jnr.) at the Midland Section's Headquarters at the Forest Inn, Lickey End. George afterwards gave a most interesting talk on the development of his "special", which we hope to have available as an article in a later edition of *Yowl*.

THE DURBAN RUN

Three Scotts we hear are now entered, including the much travelled 3 speed Super from Salisbury with Neil Smith aboard. Hope to have a detailed description of the event for our next issue. The Super has been smartened up for the occasion, with the correct oil tank now fitted plus a pair of the "Sharp" aluminium gear shields. (We have received the latest photograph of the model, but unfortunately being in colour it is not suitable for reproduction.)
